

First Principle and Foundation

The “Grace I Seek”

To see and experience you once again, Lord...afresh and anew...

- in the beauty of Your creation.
- in the examination of the many ways You have blessed me in times past.

Spiritual Practice: Silence and Solitude

We best hear the Lord in silence and solitude. God often speaks to us in a “still small voice,” so shutting out noise and distraction helps our hearing.

This week schedule some blocks of time when you can be in silence and solitude to “hear” from God’s Word and the Voice of His Spirit.
